

PUBLIC MEETING

Join us at Leith Theatre's Thomas Morton Hall on
Wednesday 13th March, 6:30-9pm.

In light of the Council's full rejection of the plans for demolition and development at Stead's Place, Save Leith Walk will present a campaign update.

We will talk about the future for Stead's Place and what could be looming across the road.

This will lead to a hustings for the Leith Walk ward by-election, giving you a great opportunity to ask each candidate about their vision for Leith.

See you at the Great Debate!
